

West Lafayette in Bloom

Orange you glad it's Summer?

The designated color for 2011 is Bright Orange. We hope all gardeners, public and private, will be able to incorporate orange with touches of blue into their landscape plantings. To help you find orange and blue annuals, we are in partnership with Galema's to provide a wide selection of plants for both sunshine and shade. These plants can be ordered in flats, along with pre-payment, and will be ready for delivery May 14th at 9:00 AM at the Farmers Market site in West Lafayette. Orders must be received by Friday, May 6th.

There are 14 varieties available this year: 4 in 4.5" pots (flats of 10) for \$22.20 per flat and 10 varieties in flats for \$9.14 per flat. Checks should accompany the order blank and be made payable to MGATC (our sponsoring organization is Master Gardener Association of Tippecanoe County).

Orders can be mailed to Lynn Layden, 2826 Ashland Street, West Lafayette, 47906. Call her with questions at 463-2242, or email at layden.lm@frontier.com.

Please arrange to be present for pick-up at the WL Farmers Market on North Salisbury Street at 9:00 AM on May 14th or arrange for a substitute to pick your flowers up.
